## ***THE INVISIBLE WAR – PART II***

Just the other day I was listening to some CDs by a pastor who I greatly respect and revere as a true servant of God. I greatly benefit from his sermons. However, my heart was torn apart as I heard him remark, "I don't think either God or the angels are concerned with this upcoming presidential election. After all, we have had 8 years of a democrat in office and 8 years of a republican in office, and the country is still in a mess!" Oh how wrong he is on this point! I am so sad to realize that this is indeed the attitude of so many brothers and sisters in Christ. How deceived they are! *Listen to me, don't you understand that the closer we come to the end the more important every single election becomes? Satan is moving steadily to put his servants into positions of power to bring about the destruction of America and the outlawing of Christianity around the world!* If Christians would get out en masse and vote Godly men and women into office, then Satan's plans would be delayed and many more souls could be won for God's kingdom. Instead, Christians everywhere are being lulled to sleep. They sit under leaders that teach them they shouldn't care about or be involved in politics, or, they vote for leaders who promise them the most financial benefits and more comforts for their life. They vote for charm, good looks, excitement and empty promises. I have traveled the world, and have heard Christian brothers and sisters sing the praises of President Bill Clinton. When I asked them what he did to make them like him so much, without exception their answer was, "Well, he is so charming and good looking." Sadly, that's the only answer I have ever received. *Please be advised, the anti-Christ is going to be charming and good-looking and a fantastic orator! He is going to appear as a most loving man of peace and hope.* If that's all you are looking for in a leader, you will vote him right into office some day.

Several nights ago, Daniel was once again up all night in prayer. During that time the Lord transported him into heaven into God's throne room to witness a meet-

ing between God and Satan. The angel escorting Daniel made it clear to him that Satan did NOT know Daniel was there as a witness. Satan went before God with a petition. Satan spoke and said, "Lord, Your people don't care about this upcoming presidential election in America. But, my people do care, very much. Your people aren't concerned with Your kingdom, they are only concerned about their own lives and their comforts. My people are working very hard every day to increase my kingdom! Therefore, I am asking permission to send out my demons to each one of your people to blind their eyes and ears so that when it comes time to vote, they will vote for my candidate, even if they think they are voting for the other person!"

God sat in thoughtful silence for a moment. Then He replied, "You are right, Satan. Too many of My people don't care about the election. They are tired of politics, and instead of fighting to increase My kingdom are only concerned with their own little lives." With a sigh, and very sadly the Lord continued, "Therefore, if My people don't wake up and change and become deeply concerned about this election in America by the middle of the summer, I will grant your petition and allow you to blind their eyes and ears so that they will vote for your candidate."

After Satan left, God turned to Daniel and said, "Woe to my people if they don't change and become deeply concerned about my kingdom! If Satan gets his candidate into office in this election, this person will be far worse than King Nebuchadnezzar ever thought of being! At first they will love this leader, but in the end they will find that Satan's leader is very willing to sell them out to the enemy! Christianity will be outlawed in an attempt to make peace with the nation of Islam."

The more I have thought about and prayed about this vision God gave to Daniel the more disturbed I have

become. What can we, little as we are, do to wake up God's people? Our voice is heard by so few! When men and women of great influence in God's kingdom are teaching people that the election doesn't matter, or leading them to vote simply based on charm and false promises, what chance do we have of making a difference? In the end, I have come to this conclusion. Let's look at a conversation Abraham had with God.

**"Then the men rose from there and looked toward Sodom, and Abraham went with them to send them on the way. And the Lord said, "Shall I hide from Abraham what I am doing, since Abraham shall surely become a great and mighty nation, and all the nations of the earth shall be blessed in him? For I have known him, in order that he may command his children and his household after him, that they keep the way of the Lord, to do righteousness and justice, that the Lord may bring to Abraham what He has spoken to him." And the Lord said, "because the outcry against Sodom and Gomorrah is great, and because their sin is very grave, I will go down now and see whether they have done altogether according to the outcry against it that has come to Me; and if not, I will know." Then the men turned away from there and went toward Sodom but Abraham still stood before the Lord. And Abraham came near and said, "Would You also destroy the righteous with the wicked? Suppose there were fifty righteous within the city; would You also destroy the place and not spare it for the fifty righteous that were in it? ". . . So the Lord said, "If I find in Sodom fifty righteous within the city, then I will spare all the place for their sakes." . . . Then he [Abraham] said, "Let not the Lord be angry, and I will speak but once more; Suppose ten should be found there?" And He said, "I will not destroy it for the sake of ten." So the Lord went His way as soon as He had finished speaking with Abraham; and Abraham returned to his place." Genesis 18:16-33**

*I, Rebecca, am not a great or important person. However, as a servant of Jesus Christ, I AM a joint heir with Jesus. Therefore, in the name of Jesus, I believe my petitions to God have as much weight as those of Satan. God said He would not destroy Sodom if He could find just ten righteous living there. I don't know how many it will take to prevent God from allowing Satan to destroy America, but surely there are at least ten righteous who will join with me in this matter! My thinking is as follows: *if Satan can go before God and petition to blind God's servants so that they vote for his candidate, then why can't WE go before God and petition God to blind Satan's servants so that they vote for the candidate who will work the hardest to preserve America and Christianity?* I believe we can,*

and I am asking you, the reader, to join with me. So, my question to you is this, are there at least ten of you reading this newsletter that will be willing to commit to join with me in petitioning God? I am asking that *we daily get on our knees and go before God and tell God that we care! Let us fervently ask the Lord to blind the eyes and minds of Satan's servants so that come election day they will vote to put into office the leader who will do the most to further God's kingdom!* Then get busy. Educate yourself about the candidates. Not just for the presidential election, but for all the other positions as well. Find out exactly what they stand for, what their backgrounds are, what fruits have been in their lives. Pray and ask God to give you wisdom. Educate those around you. Talk to everyone you know about the issue, and pray without ceasing! Then vote. *As you go to vote, pray and ask the Lord to shield you so that you will be able to vote accurately!* Remember, we are not involved in a visible war, but an invisible war. The spirits seeking to hinder us and control us are unseen! But they are real and hard at work because they know the end is coming near. They seek to hasten it, while God in His mercy will delay His judgment so that more souls can be won for His kingdom. We are facing a turning point in the history of the world, which way we turn depends on God's people and our willingness to pray and get involved.

Three or four years ago I wrote a newsletter about the invisible war in which we are involved. We have sent out countless copies of that newsletter to people in answer to their questions and needs. The Lord is quickening to me that I need to address this subject once again, as we all forget and need to be reminded.

Just last night, I woke Daniel up out of a terrible nightmare. After he was awakened he told me he was seeing a group of pastors, of which he was one, being lined up and shot to death because they refused to bow down and worship Allah as god. As I soberly considered the problem, I realized that this is something Satan and his demons are going to do to Christians more and more as we approach the end. Satan is going to try to torment us with all sorts of thoughts, dreams and visions of terrible things to come. Satan wants us to live in a state of perpetual fear and worry. We may never have to face such torment, but Satan will try to afflict us with fear anyway. Our future is in God's hands! Scripture says:

**"It is vain for you to rise up early,  
To sit up late,**

**To eat the bread of sorrows;  
For so He gives His beloved sleep.” Psalm 127:2**

The Lord does NOT keep us awake and in torment. He does NOT give us nightmares, nor torment us with fears and worry in the night. How do you suppose Peter managed to sleep while he was in prison fully expecting to be tortured and killed the next day?

**“Peter was therefore kept in prison, but constant prayer was offered to God for him by the church. And when Herod was about to bring him out, that night Peter was sleeping, bound with two chains between two soldiers; and the guards before the door were keeping the prison. Now behold, an angel of the Lord stood by him, and a light shone in the prison; and he struck Peter on the side and raised him up, saying, “Arise quickly!” And his chains fell off his hands.” Acts 12:5-7**

Here was Peter, bound between two soldiers, in chains in a terrible prison. Everything must have seemed completely hopeless. BUT, Peter was asleep! The angel had to wake him up. How could this be? Because Peter was at peace. He rested in the scripture that says, “For so He gives His beloved sleep.” No matter how bad our circumstances, Satan does not have the legal right to torment us with visions, nightmares and worries! This is a battle all of us are going to have to fight. It is a battle against an unseen enemy.

After waking Daniel out of his nightmare I got up and went into the living room and got onto my knees. As I pondered the situation, I realized that I could stand on this scripture in Psalm 127:2. I went before God’s throne and petitioned Him to render judgment between Daniel and I and Satan. Does Satan have the legal right to torment us with nightmares about things possibly to come? The answer is “NO.” I asked God to put a restraining order on Satan and his demons to keep them from giving us such nightmares and visions. Then I got up and re-anointed our home and cleansed and sealed it. Daniel and I slept peacefully the rest of the night.

Fear is something we are all of us going to have to fight as times become more and more difficult. Please understand. Demons can, from outside of us, inject fear and worry into us. They love to do this at night to keep us from resting and sleeping. You must open your mouth and rebuke fear and worry out loud and command them to leave in the name of Jesus. Cleanse and seal your home again. But sometimes even this isn’t enough. How can we cope with overwhelming fear and worry? God’s Word says:

**“He who dwells in the secret place of the Most High  
Shall abide under the shadow of the almighty  
I will say of the Lord, “He is my refuge and my fortress;  
My God, in Him I will trust.”**

**... “He shall cover you with His feathers,  
And under His wings you shall take refuge . . . “ Psalm  
91:1-4**

This sounds wonderful, but exactly HOW can we put this into practice? How can we “abide under the shadow of the Almighty,” and how can we take refuge under His wings? God is spirit. He is invisible. We cannot see Him nor feel Him. Where can we find His “shadow” or His “wings”? They certainly are not present with us physically. Many years ago the Lord gave me the answer to this difficult question. We take shelter in His Word. *When you awaken at night, overwhelmed by fear and worry or sorrow, which do not just go away when you rebuke them, get up, get out of your bed and go get your Bible. Immerse yourself in God’s Word. As you read your bible and concentrate on God’s Word you will find that your fears and worries simply melt away. Time spent in God’s Word also brings great relief from sorrow.* This is one very important weapon we have available to us in this invisible war.

### ***The Battlefield***

Where, exactly, is the battlefield for this invisible war? Where does the unseen invisible spiritual realm and the physical realm meet and interact? In your brain. The battlefield is in our minds.

**“For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ.” 2 Corinthians 10:4-5**

Don’t ever forget, demons can, from outside of you, inject thoughts and emotions into your minds. *If you do not control what goes on in your thoughts, you are going to be destroyed!* You must take every thought captive to make it obedient to Jesus Christ. Please, go back to my book *Prepare For War*, and reread the chapter titled “The Double Minded Man.” Read it several times until you get the concept clear in your mind.

## *Your Fortress*

Every soldier needs a fortress. He needs somewhere safe and peaceful he can go to heal and rebuild his forces. Our fortress should be our home. Our homes should be a clean place filled with the peace of God. They should be a place where we can go to find peace and a time to pray and read God's word and be built up in the Lord. Satan will always attack our homes. He wants them to be a place of strife, noise, confusion and distraction. He wants the family members to spend their time fighting each other instead of himself. He wants to disrupt sleep with horrible nightmares and other forms of attacks. But, praise the Lord, we have a weapon to defeat every one of his desires.

Some years ago, I ministered in North Carolina in the Hispanic community. I did not know it before hand, but this community was under terrible attack by witchcraft. They did not realize it, and most certainly did not know how to fight it. The second night I was there, I taught on basic spiritual warfare. I taught them how to rebuke a demon directly through the name of Jesus Christ. And, I taught them how to anoint and cleanse and seal their home to prevent demonic attack. Some interesting things happened that night afterwards. I went back to my motel room and slept peacefully, but that was not the case for a lot of other people!

You see, the pastors just brushed off what I taught and paid little attention to it. But they were in for a sharp lesson. I told them, "Please listen to me, go home tonight and anoint and cleanse and seal your home. If you will do this, God can and will protect you." But they did not listen. They simply went home and went to bed. The brother who arranged the meetings told me the next morning that at about 3 a.m. he was pulled out of bed onto the floor by an unseen force, and then nearly strangled to death! He cried out to the Lord for help in his mind, and was finally able to whisper "Get out in the name of Jesus!" Immediately the force that was strangling him eased up. He struggled to his feet and shouted, "You demon, get out of here in the name of Jesus!" Immediately, the force left. But it returned again later and attacked him again. All in all, he had a very busy night! He told me how thankful he was that I had taught him how to directly rebuke the demons in the name of Jesus. "Oh yes," I replied, "but if you had anointed and sealed your home, it would never have gotten in to attack you in the first place!" He began to do a little stammering then, but finally admitted that I was right.

It turned out that three other pastors were attacked that night as well. Each one of them came to me at the meeting the next night and told me of their horrifying experiences as they were physically attacked in their sleep by demonic forces. NONE of them had bothered to go home and anoint and cleanse and seal their home. They sheepishly asked me if I would teach once more about how to do it.

I, on the other hand, was attacked, but I never knew it until the next morning because I slept peacefully all night. I always anoint and cleanse and seal my motel room as soon as I go into it. It is one of the first things I do. The night all the pastors were being attacked, demons came to attack me as well. BUT they couldn't get in. How do I know? Because the next morning when I woke up and pulled back the curtains from my motel room window, I was astonished to find very powerful demonic curse markings on the outside of my window. Those markings had not been there the day before. I am sure because I left the curtains open on the window during the day so I could look out. I shudder to think of what would have happened if I had not sealed my room! I would have experienced a terrible attack by some extremely powerful demons. Thank God I was obedient and used the weapons I had available to me. Later in the day I walked all around the outside of the motel. My window was the only one with the marks on it. Clearly, the enemy knew exactly which room I was staying in.

Another woman in that city was attacked also the same night. She had been experiencing attacks numerous nights. She had a small daughter who would start screaming every night and then run a high fever. The child would cry most of the night every night. Doctors could not find anything wrong with her. This went on night after night. The night after I taught on how to anoint your home, this sister went home to face the same attack. But this time she had knowledge! As soon as her daughter started to scream, she ran into her bedroom and anointed her with oil and commanded the demon attacking her to leave her at once in the name of Jesus! The child stopped screaming, but her fever came up instantly. The mother literally ran around her home, anointing it with oil. As soon as she finished the last door, kicking out the demons and asking the Lord to seal it, she returned to her daughter's room. She found the child sleeping peacefully without any fever! She also testified the next night as to her experiences.

This sister had the victory. I had victory, the attacks were never able to reach me. But the pastors all had to fight most of the night. The next night, they anointed and cleansed their homes. From then on, they were able to sleep in complete peace. There were so many testimonies in that city that I do not have the space to repeat them all. Lives were completely changed as people recognized that they were in the middle of an invisible war, and began to stand up and fight back.

Please take a few minutes and read on. I want to review for you how and why you should anoint your homes. For those of you reading this who are in prison, you can anoint your cells, or even just your bunk. You will find this a great protection.

### ***How to Anoint Your Home***

The Lord has given us a powerful weapon of warfare in the use of the anointing oil. Not only can we use it to anoint people, but scripture shows us that we can use it to anoint objects and places as well. I learned this early on in my walk in spiritual warfare, and have met many other Christians to whom the Lord has taught this same technique.

It all started years ago, just after Elaine's final deliverance (see *He Came To Set The Captives Free*). The witches in the area knew she had come out of Satan's kingdom, and they were furious. They sent curses at us night and day. Associated with these curses were hundreds of demons. My home became a place of horrific spiritual warfare. The demons flooded in. They tormented us in every way possible. They moved my furniture around, threw us off the bed at night in our sleep, tried to strangle us, and afflicted us with depression, anxiety and all sorts of physical problems. I knew the problem was demonic, and I would rebuke the spirits in the name of Jesus and command them to get out of the house. They would go out, make a sharp U turn, and come right back in. Clearly, I needed something more.

One night, in utter desperation I cried out to the Lord, "Father please, what can I do? I feel like my house is an open thoroughfare to any evil spirit that wants to come through. You know how these spirits are tormenting us. I just can't stand it anymore!"

At that point the Holy Spirit flooded into my mind the story of the Passover Lamb in Exodus chapter 12. Then He said, "Since the death of Jesus, there are no more

blood sacrifices. So, what would you say is the counterpart of the blood today?"

"The oil?" I asked.

"That is right." Then the Lord also reminded me of the scripture in Exodus chapter 40 where He had instructed Moses to use the anointing oil.

**"And you shall take the anointing oil, and anoint the tabernacle and all that is in it; and you shall hallow it and all its utensils, and it shall be holy." Exodus 40:9**

As I pondered these scriptures, the Lord showed me that I must take oil and anoint my house and sanctify it holy unto Him. He also showed me that the children of Israel had anointed the doorposts and lintel of their home with the blood of the Passover lamb to keep the death angel from coming in. Now the death angel was a spirit. It didn't need a physical door to enter a home. It could go right through the wall if it wanted to. But the door was an opening, and as such was symbolic. These days, we have many openings into our homes. Doors, windows, air ducts, fireplaces, stove vents, etc.

After praying and thinking this all over, I took oil I had on hand (cooking oil) and placed some on the doorposts and the lintels of all the doors and on each window and the fireplace and every opening into my house except one door. I spoke out loud as I did this, proclaiming that I was anointing my home in the name of God the Father, Jesus Christ, and the Holy Spirit. I did not make any sort of symbol with the oil, I just put a small dab in each place. Then I stood in my house, and in the name of Jesus commanded every spirit to leave my house through the un-anointed door at once. Then I anointed the last door and asked the Lord to sanctify and seal my home. The change was immediate! Peace and quiet came over my home. The demons were sealed out, and were not able to get back into my house. Since that time, I have always kept my home anointed and sealed.

Now let's get specific. A "doorpost" is the vertical piece that goes up and down on either side of the door. A "lintel" is the horizontal piece that goes across the top of the door. Same with the windows. If you have a computer and are hooked up to the internet, you need to anoint the cord that goes from your computer to the phone jack and ask the Lord to seal it so that no demons can be sent into your home through your computer. Sound crazy? Believe me, curses can and are,

sent via the internet! Also, be sure to anoint your mirrors. There is nothing evil about a mirror, but people can use them as doorways to astral-project through. It is also good to anoint the cord that goes from your phones to the phone jack.

After you have done this, leaving one door un-anointed, stand and speak out loud. Say the following:

**Step 1:** *“In the name of Jesus I take authority over every curse coming against me, my spouse, my family, our marriage, our children, our animals, our home and everything we have. I command you curses to be broken NOW in the name of Jesus.”*

**Step 2:** *“In the name of Jesus I take authority over every evil spirit in this house. I command you spirits to get out of this door right now, and off of my property and do not touch anything on your way, in the name of Jesus.”*

**Step 3:** Anoint the last door and pray and ask the Lord to cleanse and seal your home and shield all of you completely from the evil spiritual realm.

As we come closer to the end and times become more and more difficult, I think we will all need to re-anoint and cleanse our homes every night before we go to bed. As people come and go from your home, sometimes the seal gets broken and you will need to re-cleanse your home. However, you don't need to anoint everything, just the doors that people have been through. If you are anointing your home on a routine daily basis as I usually do, you can just do the doors.

Later on, the Lord showed me that I was to do the same thing with the ground around my house. In order to do this I put oil into a plastic spray bottle. As I walked around the edge of my property, I sprayed a line of oil on the ground. I proclaimed that my property belonged to God and that I was asking Him to take possession of it and seal and protect it. Before closing the final space with the line of oil, I broke every curse off of the land, and commanded all demons off of it in the name of Jesus. Then I finished closing the line with the oil, praying and asking God to seal the land from any demonic intrusion. This, too brings much peace and protection.

Recently, a curse of death was put onto our land here at the ranch. In the short space of two weeks we lost three cows and two calves. They simply dropped dead.

They were all in good health prior to their death and had shown no problems at all. We had several chickens die as well, and one of our beloved cats suddenly took sick and died in just three days. The vet could not figure out what had happened to her. The Lord told us that we needed to once more walk around the edge of our property and re-anoint it and break all curses of death off of our land. This took a whole afternoon to accomplish as we have quite a few acres of land to walk around. Since we have broken the curse of death off of our land we have had no more animals die. I also anointed each one of our cattle and chickens and cats and commanded all curses to be broken off of them, and asked the Lord to shield them from all future demonic attack.

Prior to our walking and re-anointing and cleansing our land, Daniel and I had been increasingly afflicted with a terrible oppression at night. The very atmosphere outside felt heavy, and sleep was extremely difficult, even though I had re-anointed and cleansed our home. As we searched the land, we found an object, which represented a curse of death placed on the land. This we also removed and destroyed. We should have walked our land and anointed it as soon as we realized the oppression at night. We put off doing so because of the work involved. That is no excuse, and we paid dearly for our procrastination! This battle is real! We cannot put off the fight to suit our own convenience!

You can do this to your space at work. Are you experiencing demonic attacks at work? Then anoint your personal workspace. Your desk, your chair, the area around them. BUT make sure no one sees you doing this. You would have a hard time explaining it to a non-Christian. Ask the Lord to seal your space, and to completely bind up the demons in any person stepping into it. Not only will this protect you from attack, it will change the attitudes of the people who come near to you as their demons are bound.

Each morning as you get up, say a simple prayer asking God the Father to renew His full armor on you that day. This armor is discussed in Ephesians chapter 6:10-17. This armor is symbolic, but it is also real and goes on your spiritual body. It will protect you from much demonic attack during the day.

### ***Unclean Objects***

You will not be able to cleanse your home or any room if unclean objects are present in it. An unclean object

is any object made for one of the following purposes:

1. *To be used in the service of a demon spirit*
2. *To be used in a ritual of any sort involving spirits*
3. *To give honor to a demon, such as a statue or idol*
4. *To be used to gain contact with a specific demon, or with the spirit realm*
5. *To place a specific curse*

Demon spirits have the legal right to cling to unclean objects, they cannot be cleansed, they must be destroyed. God's word says:

**“You shall burn the carved images of their gods with fire; you shall not covet the silver or gold that is on them, nor take it for yourselves, lest you be snared by it; for it is an abomination to the Lord your God. Nor shall you bring an abomination into your house, lest you be doomed to destruction like it. You shall utterly detest it and utterly abhor it, for it is an accursed thing.”**  
Deuteronomy 7:25-26

A few months ago Daniel and I started having a terrible problem with nightmares at night. We also started having a struggle in our communication with one another. It seemed like we were constantly annoying each other. I realized that we must have an unclean object in our home because I could never successfully cleanse it. Every night before we went to bed I anointed and cleansed our home, but still we had problems. We searched and searched but could not find the object. Finally, in desperation, I anointed our bedroom and sealed it off from the rest of the house. That did help us sleep some. Finally, one night we were praying and crying out to the Lord to show us where the problem was, and the Lord spoke to Daniel and said, “Where do you two sit all the time?”

“In our recliner chairs,” was Daniel's response. Immediately we jumped up and started to search our chairs. At last we turned them upside down and pulled up the cloth that covers the back of the chairs. There in the back of each of our chairs was a voodoo effigy doll! A male doll was in Daniel's chair, and a female doll was in my chair. Someone had taken the trouble to walk nearly a half a mile back into our ranch, broke into our home, and placed those dolls into our chairs with curses attached to them! As soon as we removed the dolls from our home and broke all the curses associated with them and chased out the demons, peace

reigned once more.

It is very important that you learn about unclean objects, because many people bring such things into their home without ever suspecting they are bringing in demons. To learn more about unclean objects, please see my book titled *Unbroken Curses*.

### ***Walking with God CD Series***

I am offering two more CDs in the *Walking With God* series. The first is titled “*Slaying The Old Man*,” and “*Dealing With Anger*.”

*Slaying The Old Man* deals with our sin-nature. *There is a part of each one of us that wants to do only evil all the time.* Scripture calls this our “flesh,” our “old man,” our “sin-nature,” or our “carnal nature.” The Apostle Paul describes our struggle with this part of us as follows:

**“For what I am doing, I do not understand. For what I will to do, that I do not practice; but what I hate, that I do. If, then, I do what I will not to do, I agree with the law that it is good. But now, it is no longer I who do it, but sin that dwells in me.”** Romans 7:15-17

Do you find yourself caught in this difficulty? *You do not want to sin, but you end up sinning in spite of your good intentions. The harder you work to keep from sinning, the more you sin.* Frequently I receive letters and E-mails saying, “I don't understand how this could happen to me. I know better! I didn't want to, but I fell into sin anyway. How can this be?”

This CD gives you practical keys on how to slay your “Old Man,” and on how to maintain a daily victory over our sin-nature.

The second CD is about anger. It is a part of the large set of CDs on Spiritual Warfare that I have available, but it is such an important topic I want to make it available as a single CD. I have received more testimonies about changed lives from this one lesson on anger than anything else I teach.

Please see the Order Form on the last page for ordering. Also, please note that we have changed the order form to put different books on it.

## Spiritual Warfare Course on CD

Two years ago I was asked to teach a graduate course on spiritual warfare at Zoe University in Jacksonville, FL. The course was recorded and we have now reproduced it on CDs. There are a total of 18 CDs in the set, nearly 20 hours of lecture. It is the most comprehensive course on spiritual warfare you are likely to find anywhere. The cost of the set is \$100 plus \$20 for postage and handling. This may sound like a lot, but remember, there are 18 CDs in the set. That comes to about \$5 per CD.

- Price \$100.00 plus \$20.00 shipping & handling.
